KHUSHALI BEGDE

I am currently pursuing a Bachelor's degree in Computer Science from Ramdeobaba College of Engineering & Management, Nagpur. As a dedicated and hardworking student, I am passionate about applying my knowledge to real-world challenges. I am detail-oriented, organized, and continuously strive to enhance my technical abilities. I am eager to take on new challenges and contribute meaningfully to any team or project.

EXPERIENCE

Resume Parsing and Job Matching Application:

July 2024 - Present

- Developed a Flask-based application that automates the parsing of resumes (PDF, DOCX) to extract skills and personal information using NLP techniques.
- Implemented a skill matching algorithm that compares extracted skills with job descriptions, providing personalized job recommendations based on skill relevance.

Online Food Ordering Website:

April 2024 - Present

- Designed and developed a responsive website allowing users to browse menus and get to know about the website.
